May 24, 2021

9:00 AM – 3:30 PM

Location: Oakley Impact Center
806 E 2nd St.
Oakley, KS 67748

In a concerted effort for Service Centers to act as the conduit for providing statewide professional development provided by KSDE, the NKESC Dyslexia Training Team will support NKESC Districts to meet the KSDE requirements.

This six-hour training will not prepare you to fully understand dyslexia, characteristics of dyslexia, the science of reading, or structured literacy. This training is informational only. It is intended to enhance your teaching practices, help you gain a better understanding of this initiative, and to find areas to take deeper-dives for your own learning.

Registration Fee:

NKESC Staff: NO CHARGE

Member Districts: \$75.00

Non-Member Districts: \$125.00

Lunch will be served

NKESC staff should complete appropriate paperwork on the Time Machine to register.

Thank you for joining us for this learning opportunity. The activity may be transitioned to a ZOOM connect platform.

Target audience for this training is **Special Education, Licensed Staff** engaged in reading instruction.

This day Training will cover:

- Simulation, Pre-Assessment, Definition of Dyslexia, Characteristics of Dyslexia
- Evidence, and research-based, Building a reading brain
- Science of reading and structured literacy phonology, phonics
- Structured literacy syllabication, morphology, syntax, and semantics
- KESA and Screening Components
- Flow chart and post-assessment

NKESC SPED staff, this training is mandatory for all KSDE licensed staff working in public education. If you have attended a district sponsored training (6hrs minimum) on dyslexia you have already completed this requirement.

Non NKESC Staff please register by clicking on the link below:
